INTRODUCTION:

This Council Bill authorizes the City of Joplin to adopt the 2016 Historic Preservation Plan Update.

DISCUSSION:

Heritage Strategies and staff worked on an update to the 1990 Historic Preservation Plan. The group hosted three public meetings and meetings with stakeholders in the development of the plan.

The plan contains recommendations for action on the City's Historic Preservation Program, Downtown Revitalization, Neighborhood Preservation, Commercial Corridors, and Interpretation and Engagement. The items within are not mandates or guaranteed; action will be dependent on funding and feasibility.

RECOMMENDATION:

Staff recommends this Council Bill be approved.
